Presentations/Administrative Reports

Mr. Froio indicated that he was pleased with how staff transitioned seamlessly to remote learning.

Mr. Froio shared that relative to academic progress, teachers have been phenomenal, and that the admin team has been an incredible group to work with.

Mr. Froio indicated that Nina Baker, Instructional Technology Integration Specialist with BOCES, will be joining the JE team in her internship.

Brooke Bastian, Elbridge Elementary Principal, Dan Stadtmiller, Jordan-Elbridge Dynamic Intermediate School Principal, David Shafer, Jordan-Elbridge Middle School Principal & Mark Schermerhorn, Jordan-Elbridge High School Principal gave a slideshow presentation on their 10 week benchmark assessments. Please see the attached slideshow for detailed information.

Mr. Froio indicated that the quarterly results are not significantly different from the past which is remarkable given the students have not been in school since March 16, and also considering we lost WINN at the elementary level, and learning labs at the secondary level.

Mr. Moulding thanked teachers and staff for their efforts, is happy with the 10-week reports, and shared that teachers/staff are the model for running a school district.

Mrs. May echoed his sentiments and added that teachers/staff have worked so hard and have done outstanding work.
