Congratulations to JEHS student Bridget Whiting for earning runner-up this morning at the 37th Annual Regional Shakespeare Competition of Central New York at the Storch Theatre! Bridget's talent and dedication to Shakespeare's works shined in this prestigious event hosted by the English-Speaking Union's National Shakespeare Competition.

This competition challenges students nationwide to read, analyze, and perform Shakespeare, helping them develop communication skills and a deeper appreciation for the power of language. Way to go, Bridget!

Competing in a Regional Shakespeare Competition showcases mastery of literature, public speaking, and critical thinking skills.

Yesterday morning, the JEMS Dialogue Club engaged in a powerful session with @interfaithworkscny, diving into conversations about social identity, stereotypes, and belonging. Through "Uplifting All Students," our 6th-8th graders are learning to create a positive, inclusive learning environment—one where vulnerability is a strength and every voice matters.

Engaging students in work on social identity, stereotypes, and belonging fosters empathy, critical thinking, and community awareness.

Achievements

Last Friday, JEDIS welcomed Seneca Falls CSD for an inside look at our outstanding literary program!

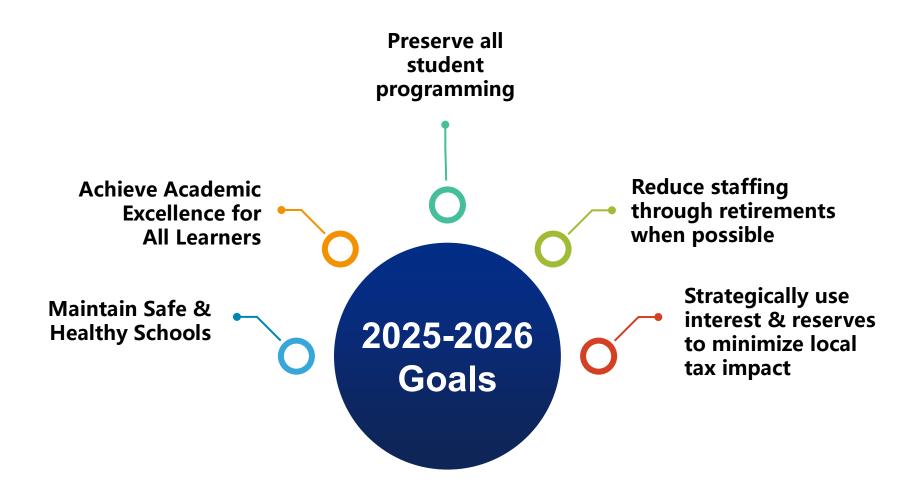

| It was a great opportunity to showcase our exemplary curriculum in action.

Wit and Wisdom enhances critical thinking and reading skills, earning our school recognition for fostering literary excellence.

Challenge: Gov. Hochul continues to aid rural schools like JE at a minimum 2% increase, which is less than the current level of inflation.
