Mr. Froio indicated that he met with Marching Band leadership relative to the September 7th Home Show and believes we will have the largest turn out, and will be filled to capacity weather permitting. Mr. Smith and staff will be available that day to help with parking.

Mr. Froio shared that the Health & Wellness committee meeting talked about changes to the SRO contracts. In order for a School Resource Officer to be hired, their contract needs to outline their duties/responsibilities and there has to be a more explicit clause in their contract stating that they are not responsible for student discipline.

Mr. Froio indicated that the district is going to participate in a school climate survey that is part of the ESSA (Every Student Succeeds Act). Mr. Froio contacted SED for those surveys with hopes to have them by October for students, teachers, non-instructional staff and parents to fill out.

Mr. Froio shared that the Ed 2d law is a new privacy and security initiative that school districts need to abide by. Mr. Froio said that new security protocols will be set in place to make sure names and addresses of staff and students remains safe, and are not subject to inappropriate use.
