Senior Trip 2020 Proposal
(Times subject to change based upon busing schedule)

Saturday June 13, 2020:

- **5:45am:** Leave Jordan-Elbridge High School
- **9:00am: Arrive at Bushkill Falls, PA-**In the highlands of Northeastern Pennsylvania, streams of crystal pure water bubble up through rifts in primeval rock. These are the headwaters of Bushkill Creek, a great marsh alive with the call of wild birds. As the waters begin their descent toward the Delaware River far below, they move ever faster toward Bushkill Falls, rushing over Pennell Falls, then between rocky walls through the Upper Canyon and Laurel Glen. Suddenly the stream drops over the edge of a 100-foot cliff, the majestic Main Falls. From the deep pool at the bottom, banked by ferns, mosses, and wildflowers, the creek now drops another seventy feet through a long and spectacular gorge strewn with gigantic boulders. Trails and bridges lace the area, affording splendid views. Nature hikers are enthusiastic about the walk to the Bridal Veil Falls. Here you will follow a nice trail by the Pond Run stream. The stream soon flows into the Little Bushkill where the mountain path leads deep into the forest. Spring-fed waters tumble down the mountainside in a series of three lovely falls so misty in their appearance they are named for brides of love. The area of bushkill falls is historical with the long and rich history of the poconos indians and the diverse wildlife and geographical history of the area.
- The Bushkill Falls Mining Co. Maze- is a fun competitive activity that lends more than just finding your way through the maze to the exit. This is a great way for everyone to sharpen his or her navigation skills while competing for the fastest times! Release your competitive side!
